

Greetings Minnehaha Alumni!

I hope that you are all having a safe and fun summer! It is hard to believe that students will return to campus in just 3 weeks. North Campus has been busy this summer with more than 400 students involved in Minnehaha's Summer Programs and last week over 500 people participated in Korean Culture Camp. The South Campus has been just as busy, but with construction workers instead of students! You can see pictures of the progress at: www.minnehahaacademy.net/news/2007/southconstruction/index.php

Minnehaha recently launched a **new website!** Please take a moment to view the new site at: www.MinnehahaAcademy.net. While you are there, be sure to register on the new alumni database- <http://minnehahaacademy.net/alumni/connections/database.php> (Please note that the database will only list alumni who have registered on the site and that you will not be automatically listed. The site is secure and is password protected). And check out the upcoming alumni events at: <http://minnehahaacademy.net/alumni/events/events.php>

The study begins September 24 and more information can be found at: <http://minnehahaacademy.net/news/upcomingevents/ethics>

Please contact Heidi in the Alumni Office if you are interested in serving in one of these capacities.
