

Greetings Minnehaha Alumni!

I hope that you are all having a fun and relaxing summer!

The school year ended with a flurry of activity as lower school students participated in track and field day, the middle school students had a BLAST Day and freshmen through juniors participated in June Term service and cultural immersion programs. The seniors were addressed by Mr. David Glenn at their commencement ceremony where they were also joined by Golden Alumni- members of the Class of 1958. There is still quite a bit of activity at the North Campus as the Minnehaha Summer Programs are in full swing while construction at the South Campus is just about finished.

The end of our fiscal year is quickly approaching and we are about \$30,000 shy of our annual fund goal. If you have not made a gift this year, we ask that you prayerfully consider making a gift at this time. Every gift makes a difference in the lives of our MA students. We are grateful for your support! Gifts can be made online at:
