**MAKE PLANS NOW TO ATTEND THE MADRIGAL DINNER!**

*The time is near, we're all preparing a feast for you with fun for sharing!*

On Saturday, February 7th and Sunday, February 8th the North Campus gym will again be transformed for the 23rd annual Madrigal Dinner into a magical kingdom, complete with music and merriment, and featuring the talents of our three upper school choirs and the Madrigal Singers.

This year, the castle is in an uproar because the favored prince cannot find a bride. Beautiful and brilliant women have all failed the royal tests given by the prince's mother. What really makes a perfect match? Why do all fail? Will Prince Gilbert ever find the perfect woman?

For more information and the reservation form simply go to [www.MinnehahaAcademy.net](http://www.MinnehahaAcademy.net), click on the "News and Events" link and look for the Madrigal Dinner button on the right!

This event is an annual pleaser that sells out! All proceeds benefit the Minnehaha Academy Music Program. Those of you who have attended this fabulous evening know the many delights in store you, but if you have never attended the Madrigal Dinner, don't put it off another year.
