 This is not your traditional Interior Design. Shelley Danzberger is not your typical designer. Let's just face it. Shelley Danzberger has a gift. She doesn't design. She "Danzbergers." Let's break it down: Stage One: Style Savant. Shelley stops by for coffee and a conversation, takes inventory and noses around in what you already have. Stage Two: Treasure Hunting. Knowing what you want and need, Shelley goes out and finds it. Stage Three: Uncanny Knack (Or this is where the magic happens.) Somehow, Shelley just knows. She finds amazing things. (Usually at a jaw dropping, eye popping prices) Things that are beautiful, things that are useful, things that go with the other things you already have... and helps you create a home that delights and surprises, welcomes and celebrates. **\$300**
